SERVICE CLASS MATRIX

Minor	Small	Medium	Large	X-Large
17 Watt LED (FL1A)	75 Watt LED+ (FL2A)	100 Watt LED+ (FL3A)	150 Watt LED+ (FL4A)	300 Watt LED+ (FL5A)
18 Watt LED (FL1B)	150 Watt MH (FH1A)	150 Watt LED (FL3B)	200 Watt LED (FL4B)	1000 Watt MH (FH4A)
42 Watt CFL (FF1A)	150 Watt HPS (FS1A)	250 Watt MH (FH2A)	400 Watt MH (FH3A)	
2x14 Watt T5 (FF2A)		250 Watt HPS (FS2A)	400 Watt HPS (FS3A)	
70 Watt HPS (FS5A)				
80 Watt MF (FM1A)				
100 Watt HPS (FS4A)				
HPS (FS)	High Pressure Sodium			
MF (FM)	Mercury Fluorescent			
MH (FH)	Metal Halide			
LED (FL)	Light Emitting Diode			
T5 +CFL (FF)	Fluorescent			

*The standard installation cost includes the luminaire and basic bracket affixed to an existing Endeavour Energy asset with low voltage supply available. Where the standard installation cost is not appropriate (e.g. the use of a large streetlight bracket is required, running of additional low voltage mains, the need for traffic control or customer requests for installation to be done during non business hours) it is proposed that a non-standard installation be negotiated / accepted with the customer prior to contract establishment.
