

# Electricity Safety Week

6th-10th September 2021

## Electric Kids Safety Video Competition 2021 - Entry form

As part of Electricity Safety Week 2021, primary school students across Endeavour Energy's network are invited to create a 30-second video that highlights one or more important electricity safety messages.

Entries will be judged on creativity and effectiveness of conveying one or more electricity safety messages, with the winning video receiving \$1,000 for their school P&C Association.

### 1. SIMPLY HAVE YOUR CLASS/STUDENTS SELECT ONE OR MORE SAFETY MESSAGES:

- Avoid playing near powerlines
- Never play on or near electrical equipment
- Water and electricity don't mix
- Never put a metal object in a toaster or powerpoint
- If you see a dangerous situation, tell an adult

### 2. FILM YOUR VIDEO

Ask your students to design and film a 30-second video that creatively and effectively conveys one or more of the safety messages above.

### 3. SUBMIT YOUR ENTRY FORM AND VIDEO

- a) Email this entry form and your video to [competition@endeavourenergy.com.au](mailto:competition@endeavourenergy.com.au) OR
- b) Post this entry form and your video on USB or CD to:

Endeavour Energy c/o Public Safety  
Electric Kids Safety Video Competition  
PO Box 811  
Seven Hills NSW 1730

Note: Postal entries will not be returned.

## ENTRY FORM

School name and suburb: \_\_\_\_\_

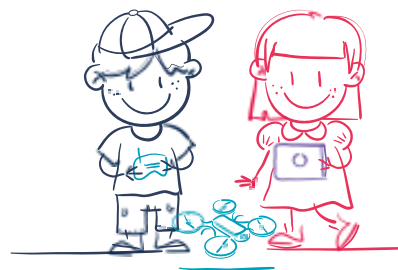

Student names: \_\_\_\_\_  
\_\_\_\_\_

Video name: \_\_\_\_\_

Contact name, phone and email \_\_\_\_\_

Yes, I have read the terms and conditions of this competition and agree to be bound by it. Full terms and conditions can be found at:
